Subject: Noodle Bowl
Feedback: I wanted to let you know that I purchased a noodle bowl last Friday which was way too salty to eat. I had everthing in it, beef and beef broth. It was so salty I couldn't eat it at all. As an FYI - I get these bowls almost every week and this is the first time I ever got one too salty to eat. I feel like it was a waste of money for me. Almost \$7 for something I couldn't eat.
